Reporting a Loved One's Death to the Temple

*Breathing in and out gives birth to our life.
We leave this world of earth and water as if to have a rest.
Perfect kings, aristocrats, and ministers
Prosper in spring, fall in autumn, and pass on like a stream.
Meditate deeply to know the very bottom of the mind.
Where the Great Mirrorlike Wisdom of Mahavairocana shines infinite virtue all around.
— Kobo Daishi (Kukai)*
